

## REMARKS

### *Substance of Interview*

On August 5, 2009, the undersigned and the Examiner telephonically discussed the merits of claims 1-20 in light of Vickberg.

### *Allowable Subject Matter*

The Examiner stated that claim 13 would be allowable if rewritten in independent form. As, such, Applicant has canceled claim 13 and added the limitations contained therein to claim 10, and predominantly to claims 1 and 19.

A such, Applicant believes the independent claims, as well as the claims that depend from them, are in condition for allowance.

## CONCLUSION

For the above reasons, the foregoing response places the Application in condition for allowance. Therefore, it is respectfully requested that the rejection of the claims be withdrawn and full allowance granted. Should the Examiner have any further comments or suggestions, please contact the undersigned.

	Respectfully submitted,
